NOTE! FREIGHT TRUCK DELIVERY

Our terms are FOB Decatur, IL. This means you are responsible for filing a freight claim if damage occurs to the product while in transit.

As a convenience to you, Vega Enterprises Inc. arranges with a freight company (or common carrier) to act as your agent to deliver your order. We also pass on to you any favorable "discount" we receive from the freight company in our negotiations with them.

Freight companies will not unload any freight as part of their standard and routine service. Liftgate service is often available for an additional charge but must be scheduled in advance.

Please make your unloading plans before delivery day.
